Mulligan & Red Tee Shot Rules for Use

1. Each player can only use two (2) mulligans during play.
2. Each player can only use one (1) red tee shot during play.
3. Mulligans & Red Tee shots are non-transferrable. (You cannot give yours to another teammate.) If you do not use them, you lose them. Unused mulligans or red tee shots cannot be used to deduct strokes from your scorecard at the end of your round.
4. You cannot use a mulligan or red tee shot for the longest drive, closest to the pin, or hole-in-one contests. Only your first shot from your designated tee box may be used. You may use a mulligan or red tee shot on those holes but those shots cannot be used to win a contest or prize.
5. When a player decides to use a mulligan, he or she must use that shot. You cannot go back to your first shot and use it for play.
6. Men may not use a mulligan from the red tees.
7. Mulligans & red tee shots are for individual use only. When a player uses a mulligan or red tee shot, only that player can take one (1) extra shot, **NOT** each team member.
8. Final Rule! Be Honest! Be Fair! Have Fun!
